EDUCATION

Full Stack Web Development
Masai School
July 2024 - April 2025

Bachelor of Engineering
Technocrats Institute of Technology (Computer Science and Engineering)
July 2015 - June 2019

SOFT SKILLS

Teamwork | Time Management | Problem Solving | Adaptability

CERTIFICATIONS

- Construct Week Participation Certificate

Mahesh Yadav

Node JS Developer

PROFESSIONAL SUMMARY

Detail-oriented Node.js Developer with expertise in JavaScript, MongoDB, and robust problem-solving skills. Proven ability to design seamless, efficient server-side applications and APIs. Adept at leveraging Generative AI, while swiftly adapting to emerging technologies and enhancing backend architecture in collaborative environments.

PROJECTS

1. The Itinerary Planning | ⊕ | 🐙
JavaScript | React | Node.js | Express.js | MongoDB | RESTful APIs | Git | Responsive Web Design

- Designed and developed API endpoints using Node.js, Express.js and MongoDB for seamless frontend integration.
- Integrated with Google Calendar and Gmail for enhanced user experience while planning trips.
- Utilized Git for version control and MVC architecture to ensure collaborative development and smooth deployment.

2. Real time chat application | ⊕ | 🐙
JavaScript | Node.js | Express.js | HTML5 | CSS3

- Developed a real-time chat application using Socket.IO and Node.js, facilitating seamless communication between users.
- Collaborated with frontend design to integrate user login and real-time conversation features in chat rooms.
- Implemented user status indicators to display live online presence and typing alerts for an interactive experience.
- Optimized server-side application with Express.js for performance and scalability, ensuring efficient handling of multiple users.
- Conducted extensive testing and debugging to identify and resolve potential issues, ensuring application reliability.
